STATINTL

Director Stansfield Turner
Central Intelligence Agency
Washington, D. C. 20505

Thank you, Director Turner . . .

. . . for your letter of 5 October concerning a meeting in Washington on October 26. I regret that I will not be able to attend the meeting; however, I was pleased to learn from my secretary, after her conversation with Mr. [REDACTED] that there is a possibility for another meeting in February. I am holding open the dates of February 8 and 15, 1979, in the event another such meeting is called.

I agree with you that an effective relationship is most important, and I hope that I will be able to participate in such a meeting when another is arranged.

Sincerely,

STATINTL

Fred C. Davison
